

June 2024 Prayer Letter

Dear Prayer Warriors,

We are just a couple of days away from an evangelistic campaign with *Decision* Spain, and we've run into some bumps in the road. Connecting with the Fraga city officials has been difficult. We still don't have the permits we need to host public events. *Decision* normally hosts a children's event, a concert, and another public event to present the gospel to a crowd. We have over 50 people coming to Fraga to serve the people here and share the gospel.

We have heard many times that our town is hard ground for the gospel. Now, we get to see that hardness while preparing this event. The city officials are requiring us to cross every *t* and dot every *i* before granting their approval. As far as I understand, they are legally able to do so, however, *Decision* organizers have told us that they have never had this happen in their many years of ministry.

Yesterday, we were praying as a church, and we went to Psalm 19:7-10. We reflected on the fact that God's word is perfect. It is His word that convicts hearts and transforms lives. As a church, we prayed that His word would be shared this week. We prayed that people would hear the gospel clearly presented. We prayed that every *fragatino* and *fragatina* (the inhabitants of Fraga) would hear of the love of God.

The last few weeks I have been teaching our church how to share their faith

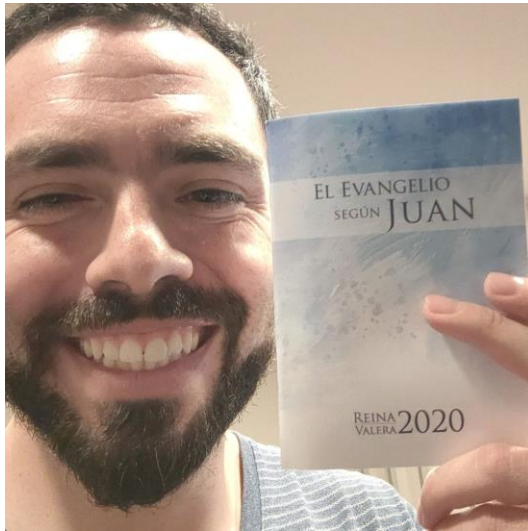

and have encouraged them to share with those in their circle of influence. This Sunday, one woman came to us after the service and told us how she shared what she believed with an acquaintance whom God had set on her heart. She was nervous, but the man she was sharing with was receptive and he said that he would read the gospel of John she gave him! We rejoice with her and pray for this man to come to know Jesus.

Another woman in our church, Teresa, has expressed her desire to be baptized. Praise God! Please pray for her as she prepares for this next step in her faith.

We don't need a big flashy event to share the gospel, although it is certainly a great opportunity. Our desire is to bring glory to God in everything we do with the time He has given us.

Please pray for us today:

- That God may open the doors for the activities we would like to have, or that He would give us discernment and creativity to do something else that would honor Him
- That God will continue to work in hearts and minds (Jn 16:8-11) especially these days July 1-10 so that people will be willing to hear the good news.
- That God will be glorified above all.

The Bible Society of Spain printed the Gospel of John for our church

Sunday service

We host meals at our place to get to know people.

Just us :)

Thank you so much for praying for us.

I look forward to sharing the answers to these prayers and how the event goes with you!

All for Jesus!
