Dear Friends,

Luke 24:46-47 says: "and He said to them, 'Thus it is written, that the Christ should suffer and rise again from the dead the third day; and that repentance for the forgiveness of sins should be proclaimed in His name to all the nations'..." (NASB) That passage ended our series in Luke on Easter Sunday. We celebrated by "proclaiming" Jesus' resurrection and our calling to take His gospel to the world. May God use you & us to "proclaim" the gospel "in His name to all the nations"! The world really needs it!

Puebla del Río Church. Three weeks ago I finished a Bible study of Revelation, & after a one week break, we started studying Christology. On May 4th we had a couples' seminar at church on "Communication between the Couple" and two non-church couples came for the 1st time. Jordi and Sandra gave that, and he preached the following day too. The next Sunday, Arturo and I began a new series in 1st Peter. We've also had some new visitors again, so your prayers are helping to improve things at church! Please pray for the church to keep growing in their walk with Christ and as a testimony to 12,000 people without Christ in Puebla del Río.

Other ministry. On Palm Sunday 3-day weekend, **Salud and I** spoke at a FIEIDE church Easter retreat at a camp north of Seville. I gave 3 conferences & **Salud** did 2 workshops on "Unity in the Church". On Apr. 25-28th, a single TEAM missionary girl, Salud, Arturo and I went to Cullera, by Valencia (8 hrs. drive) to attend the FIEIDE National Assembly & Congress with leaders from over 50 churches in Spain. Two new churches were accepted in the Federation. One of them is in Almería province in Andalucía! We praise God for new growth of Gospel-centered churches in

Spain! At the Assembly, **Salud was ratified as the representative from Andalucía** to the FIEIDE National Women's Department. That gives her **3 years of new responsibilities in the FIEIDE** in Spain. Please pray for her as she works with the new department, continues serving on the Andalucía Women's Committee, and also ministers to women in many parts of Spain. As for me at the Seminary, the school has applied for accreditation by the government Ministry of Education of the **Master's in the Spanish Reformation**. So I've had to change all of my syllabi for the 3 classes I teach in the Master's program. Next school year, 2024-2025, we'll have to do everything at the level the government requires, which means more work and a 16-week semester for all the Master's level classes. The seminary won't know if it will be approved until later in the school year, but this is a part of the accreditation process we have to start now.

Family news. We're GROWING! 8 weeks ago **Elisabeth, Sam and Julen** gave us the news that they are expecting!! Now we know **it is a baby girl!!** We're obviously very happy for them and ask prayer for Elisabeth as she is now 4 months pregnant, so that God will help her and the baby to have a safe and healthy pregnancy. **Jonathan, Irene and Sara** are celebrating that Sara is now 1 year old and we were at her 1st birthday party! He just graduated from his 5-year residency in oncology at the hospital. They are also in the process of buying a home. **We thank and praise God** that our kids, and their families are all well and being blessed by the Lord!

Thank you for praying for us and for all of you who support us so faithfully too. **We appreciate you and thank God for your commitment to Him and to us!** May God bless you in everything as you follow Jesus Christ and "proclaim" the gospel "in His name to all the nations" in this needy world of ours!

In Jesus' love and service,

Frank and Salud
