

# July 2024 Prayer Letter

Dear Prayer Warriors,

We might have said goodbye at least five times to everyone who was here for the evangelistic campaign organized by Decision, Spain and our sending church Grace Church. We served alongside a wonderful team of volunteers, and God worked in and through us in wonderful ways.

We endured the heat and overcame many challenges to share God's love with many people here. God provided a gifted team of people who could speak many languages which I may never have a chance to learn. Independently of the language spoken, God's love was clearly communicated to everyone who listened.

We praise God for the adults, teens, and children who have expressed a desire to follow Jesus with their lives, to know more about Him, and also to visit our church. We praise God for every conversation, every gospel tract, and every interaction the team had with people here in town. To Him alone belongs all the glory, the honor, and the praise for what has happened during this time.

I can't thank you enough for your commitment to pray for this event and for our ministry. It was very encouraging to see prayers sown long ago bearing fruit during this time of intense evangelism and outreach.

Let me share with you a few pictures of the events that resulted in great excuses for many gospel conversations and opportunities to love the people of Fraga.

Many opportunities to meet people

A Bible Festival for kids!

Sharing the gospel at the sport fields

Lots of youth heard about God's love during a soccer tournament

Thank you so much for all your love.

All for Jesus!
