

## Happy Independence Day!

Buenas tardes, everyone! I hope that you all are excited for the 4th of July barbecues that are sure to be going on there in the USA.

We have a lot of things coming up in July, and we need your prayers as we embark on various activities for July and August.

First, let's cover what we've been doing since May.

We've kept up all of the normal church ministries with teaching the Youth Group, on Saturday's, and Lenin still teaches on various Sunday mornings and Wednesday nights.

With a couple of missionary friends and their family, we went on a trip to a community called Munichis. There is a couple that live in Yurimaguas that have charge over a camp just outside of Munichis where they do Bible training for the indigenous Shawi community. Shawi men and women come from Shawi communities far away to receive intense Bible education for a week. We were part of helping them memorize some Bible stories. Lenin had charge of teaching the story of the Exodus of the Hebrews from Egypt. Here are some photos from that week.

We were able to have supper with a young dating couple a few nights ago. It's exciting to see our young people take responsibilities in starting families.

## ***Please pray!***

We have a group from Plano, TX coming down to help us for a couple of weeks from the 27th of July to the 7th of August. We'll be doing VBSs, teaching, and a family camp during their stay. Please pray for the group and for our church as we share the Gospel in Tarapoto. Pray for lives to be changed, and people and children to be saved.

**Happy Father's Day** to all of the dads out there! What an exciting year for me as I get to celebrate my husband becoming a dad. All you Dads, don't forget how important your example is to your family. Thanks to the men who spiritually lead their families and others into faithful (and often unnoticed) service to our Lord and Savior, Jesus Christ.
