

SUMMER 2024

# THE CLINE CHRONICLE

LIFE ON THE HOME MISSION FIELD

## HOME OFFICE MINISTRY UPDATES

### SPAIN TBM FIELD CONFERENCE

Nearly a year ago, August of 2023, marked a very important time for TBM. For the last few years TBM has been attempting to travel to Spain to host a field conference, but have been unable due to travel restrictions. Finally in August we were able to make this conference happen! Many of us from the TBM Home Office made the trip to the other side of the globe to spend time with our missionaries from that part of the world. Our theme was "Partnership in the Gospel". For some, this was the first time meeting our missionaries face to face. We spent time in the Word, time hearing ministry updates, and a lot of time getting to know our missionaries better! I (Ben) had a few days before and a week after the conference to spend time with the Ramirez family to help with some of the construction projects so they could start holding church services in a local store front. Victor, Orrin (our TBM Home Office intern), Vince (a TBM board member), and I worked many hours tiling, drywalling, taping, mudding, and doing lots of other small jobs. One of the best things during our time there was to meet some of the people from the church and spend time with the Ramirez family. Pray for this amazing family as they serve the Lord in Fraga

## MORE RECENTLY...

## ...ONE OF THE LARGEST CANDIDATE SCHOOLS YET

In May we hosted TBM candidates, missionaries, board members, and auditors interested in TBM for our 2024 Candidate School. All together we had around 60 attending in different capacities. We are so thankful for our newest additions to TBM, (from left to right) Lucas and Taylor Fowler who will be serving in a church plant in Peru, Colby and Emma Hale who will be interning at the home office learning about media and other aspects of the ministry, Percy Matitkwa who recently married TBM missionary LeAnn Harris and will serve together planting a church in Uganda, and finally Lenin Rivadeneyra who recently married TBM missionary Amber Finney and will be serving in a church plant in Peru. We are excited to see all that God will do with these servants.

## ...LOTS OF FAMILY CHANGES

Our grandson, AJ turned one not long ago and enjoyed his cake very much! Dylan and Maddi faithfully serve at Evangelical Free Church of Sidney and the Lord is doing great things through their youth ministry. Travis graduated from High School in May and is planning to finish his 2 year degree at the local college before deciding what comes next. Megan was just married in June to Mark Muth! We are excited for them as they start their new life together. They will be moving to Montana to serve for at least a year at Camp Elohim. Around a year ago, I stepped away from pastoring our church to focus more on ministry at TBM and have been thankful for the extra time to work in this supportive role for our TBM missionaries. Sarah just finished her 8th year teaching 5th grade and does such a great job representing Christ in our schools. Sarah and I are celebrating 25 years of marriage this June! We praise God for His faithfulness to grow and bring spiritual growth to our family. We are ever grateful for the way you encourage us in our lives and ministry through prayer and financial support. We are so blessed to have you on our ministry team!
