**Dear Faithful Supporter,**

As we come to the end of another year, our hearts are full of gratitude. We are thankful for our family and for our church family and for many friends. Most of all, we are thankful for our Heavenly Father who sent his only Son to provide eternal salvation for us.

We look back with gratitude and excitement, reflecting on the incredible impact we've made together in the lives of people. Thank you, Lord for the resilient community members we have the privilege to serve. This year, we've witnessed the power of the gospel transforming lives.

We were so blessed by the spirit of generosity that surrounded us. Your steadfast prayer support has been the driving force behind the success of our ministry. We are deeply grateful for our incredible generous donors.

As we think about the year to come; the question is, what will we focus on in this new year? May we be part of something that makes the world a little more like heaven. I believe that it is more important than ever that in 2025 we choose hope over fear and love over apathy. Together we can offer hope and love while making a big impact in people's lives. In this new year, let's keep spreading hope and building a stronger community through the preaching of the Word of God.

Thank you so much for your faithful prayers and generous financial support over the years, for our family and ministry here in Northeast Brazil.

**Merry Christmas** and a blessed **New Year!**
