

The Fowlers on the Field

Catching Up

We hope you all had such a wonderful holiday season celebrating the birth of our Savior! Lucas and I spent a few weeks traveling to Colorado, Nebraska, and Oklahoma where we were able to spend time with family and many friends as well. Throughout this time we were also able to share the news of our coming baby! We will expect to meet him or her in the month of July. Since our last newsletter, we have had a few activities with the young adult group, including Halloween, Thanksgiving, and Christmas parties, and our young adult retreat that happened January 3rd-6th. Jared Sutton, the new youth pastor at Plano Bible Chapel, as well as his wife Stephanie, helped put together our retreat with the theme of "Choose this Day." With our plan to focus and spend more time working on support raising, Lucas and I will no longer be working with the youth group on Wednesday nights. We are sad to leave this particular ministry but are also excited to prepare for the future.

What's Next

Our current plan is to move to Colorado with my parents after our lease ends in July. During the couple months that we live with them our focus will be to visit the surrounding churches in Colorado, Wyoming, and Nebraska that we have connections with. We will then plan to spend the holiday season with my family before moving to Peru in January of 2026. I will also be helping to lead a mentorship program in March, April, and May for the young women of the church and am very excited! We are also excited to prepare for the arrival of our baby.

Thank you all so much for your prayers and support as we seek the ministry God has for us! If you would like to hear more about the specific ministry we are planning to do in Peru, or if you would like to give financially, you can visit our Tentmakers Bible Mission page at [https://tentmakersbiblemission.org/...](https://tentmakersbiblemission.org/)

Please be Praying

- Pray that we would be diligent in our efforts to find prayer and financial partners as we prepare to be sent out
- Pray that I would have a safe and healthy pregnancy and delivery and that our focus will be on being Godly parents
- Pray that God would be faithfully preparing us for the many upcoming changes in our lives
- Pray that we would continue to be faithful to the ministries that we are currently involved in
- Pray that the young women in the mentorship program would be encouraged and trained up to become Godly women and leaders
