

SPRING 2025

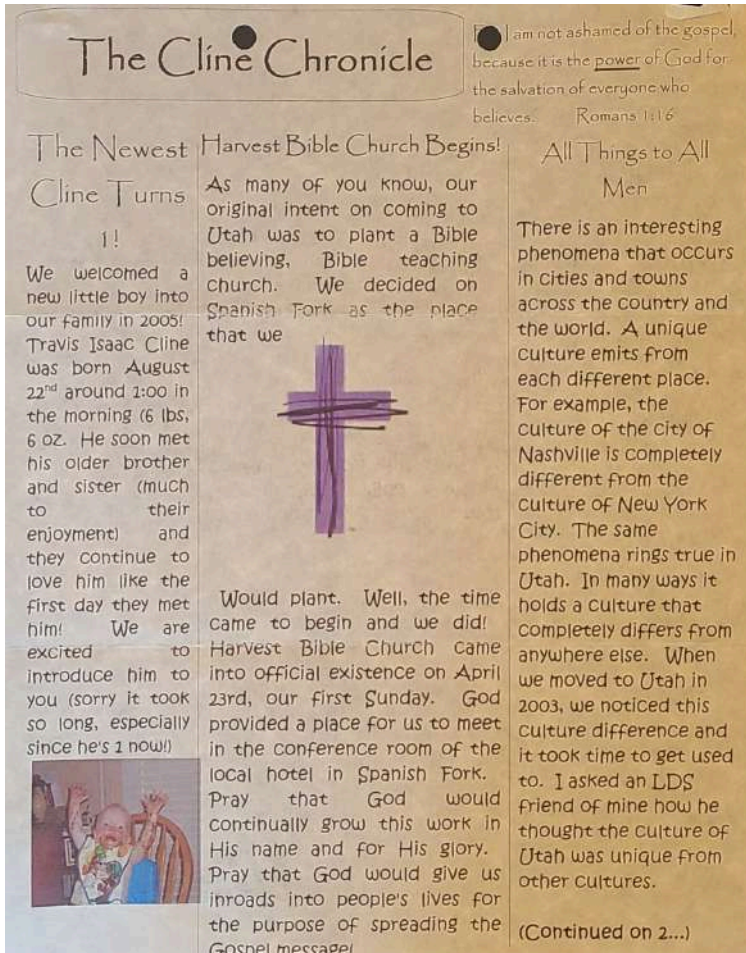

THE CLINE CHRONICLE

LIFE ON THE HOME MISSION FIELD

A LOOK AT THE PAST YEARS OF MINISTRY

GOD WORKING THROUGH THE YEARS

We normally like to use our prayer letters to update you on what's currently happening in our ministry...and we will do that! However, we wanted to take a detour to the past for a moment. A great reminder of all that God has done through our years of ministry came recently in the form of a very old *Cline Chronicle*. We found a copy of our prayer letter from the fall of 2006 and reading it brought back memories of our ministry with Tentmakers Bible Mission over the last 22 years. Originally planning to be church planters in Utah, we had the privilege of serving there for many years and seeing souls come to know Jesus as their Savior! God's plans for us would eventually lead us to serving with TBM at the home office. We are so grateful to serve Him in this capacity and to serve TBM missionaries through this support role. This is not where we would have expected to land 22 years ago, and the journey that God has taken us on has had some unexpected turns, but God's faithfulness has been evident. With the passing of time, we not only get to reflect on what God has done, but also get to celebrate milestones along the way. This year TBM celebrates its 40th anniversary! There is no way to measure all that God has done through TBM ministries in 40 years, and it is exciting and humbling to see where the mission stands today. The next generation of TBM missionaries are being trained and sent to the field to do church planting work. We look forward to what God is going to do in the coming years.

We found this ad from the *Spanish Fork Sentinel*, February 21, 2007. We started a Bible study in our home and began weekly services April 23, 2006 in the conference room of a local motel.

A LOOK AT WHAT'S COMING SOON

We are in the season where we are preparing for many events. March marks the beginning of our short-term missions trips. TBM missionaries from Las Vegas and Montpelier, ID will be hosting groups from Frontier School of the Bible. In the summer there may also be a group going to Trinidad and Tobago to minister at a TBM church plant. Please pray these young people will see the Lord's leading for the future. In April, many from TBM will travel to Colorado Springs to attend the annual Leadership Forum hosted by the Association of North American Missions. In May, we will have our annual candidate school in LaGrange, WY. Through the summer TBM will be celebrating its 40th anniversary through four banquets in locations across the US that have been strategic for church planting ministry. As the summer winds down, Sarah and I will travel to the TBM South American Conference in Lima, Peru. We are grateful for each opportunity.

FAMILY UPDATES

On July 20th, Ben's grandma went home to be with Jesus. Ben had the great privilege of sharing a message at her memorial service in October. She was always such a great example of faithfulness to us and we miss her dearly, but know that we will be reunited one day!

We received great news that Mark and Megan are expecting their first baby in May! What a joy it will be to have another set of little feet pattering around! Mark and Megan have been serving an internship at Camp Elohim in northwestern Montana. Soon, they will finish their time there and make their way to La Junta, CO near Mark's family to live and work. Dylan and Maddi have been faithfully serving in youth ministry in Sidney, NE, which gives us the great opportunity to spend time with AJ from time to time when the youth group is travelling for different events. We enjoy him so much and love seeing how many more words he knows each time! Travis continues his studies at Western Nebraska Community College and will soon decide where life will take him next to finish his education.

We can't thank you enough for your dedication to our ministry through the years! God is faithful, and we are grateful for your faithfulness in prayer and giving as we continue working toward the goal of planting Bible-believing churches throughout the world!

Praying that the Lord would bless each one of you, Ben and Sarah Cline
