

QUICK UPDATE!

Many of you were praying about our gymkhana youth event that was held last Saturday. We had a great turnout, about 40 youths, and we had a great time! I have sent a link to the YouTube video that I made, so just click on the video below to see more information.

God bless each and every one of you for your support for our ministry in Tarapoto. Please let Lenin and I know how we can be praying for you!

In Christ,

Amber, Lenin, and baby Abigail
