**Summer – 2025**

**Dear Faithful supporter,**

**Jesus said to them, “But who do you say that I am?” And Simon Peter answered and said, “You are the Christ, the Son of the Living God.**

Let this truth burn deeply in our hearts, that Jesus is the Christ of Israel, and of us all. This is the truth that we proclaim, near and far, so that He might make His home in many more hearts.

May we all do the work of an evangelist today as we stand upon this truth, that Christ is the Son of the Living God, and only through His shed blood can we be redeemed for all Eternity. May He empowers us to be His witnesses!

We are so thankful for opportunities we have to share the gospel. It is also a joy to encourage others. So many around us are hurting. Some are just in need of a listening ear, some need words of encouragement or exhorting, all need prayer. What a joy to serve our precious Savior as we minister to others. We endeavor to do so as long as He gives us breath.

In our last letter, we mentioned the work we needed to do at the church building to prevent flooding. Before starting the renovation, we discovered that the church property level is lower than the street. So, the renovations we had planned to do would not prevent the flooding that happens during rainy season. The problem is more serious than we had imagined. Praise the Lord we did not spend the Lord’s money in vain. Pray for wisdom in how to solve this situation.

After plenteous rains comes the harvest time in Northeast Brazil. In the month of June and July the people like to celebrate this time with typical foods, especially from harvested corn. On Saturday, July 12<sup>th</sup> our congregation gathered to celebrate this harvest time with a special meal with corn dishes, cakes, and puddings. It was a blessing to also have a devotional from Ezequiel 37 about the hope we have in our powerful God of the impossible who brings life and unity to His people. We covet your prayers for revival and growth in these challenging days. Pray with us as we seek to reach couples who will be committed to serve and reach others for God's Kingdom.

How I praise the Lord for what He is accomplishing through you, as you believe, intercede and support our ministry.

We hope to get our digital prayer letter to you in a more timely manner.  
Thank you for your patience.

Blessing be upon each of you as you serve our precious Savior!

In Christ and for Christ,

Paulo and Janis Alencar
