Dear Family, Friends and Ministry prayer Partners,

“Being confident of this very thing that He who has begun a good work in you will be faithful to complete it until the day of Jesus Christ.”

Philippians.1:6

What comforting words from the great Apostle Paul who wanted the church / believers in Philippi to know that despite life’s difficulties and disappointments, persecution and perils, challenges and chaos, there’s joy in the salvation of the LORD and we can rest in the faithfulness of our Savior. What He starts, He always finishes well.

As we look back on the last 5 months of 2024, we are confident that our God was in every single detail, leading us each step of the way – ALL FOR HIS GLORY!

Miracles and Blessings

We have truly experienced so many blessings over the past few months, too many to count! Here are some of our highlights/blessings/ miracles from God.

Family Times Together

Special times with the whole Heerah family being together was certainly a highlight.

God’s Good Plans

Discovering Ronnie's cancer and through some divine connections with people, some of whom we had never met (from Wisconsin), we were able to eventually find a surgeon and his team who would do the surgery before we went back to Trinidad. This was one of the biggest miracles.

The God Who Provides

Seeing the hand of God provide, as He promised us from the beginning of this journey, that “... everything we need, our Father has it all!” This was indeed another miracle. The Lord used many of you to participate in this work of providing all that we needed for the surgery in just 45 days. Wow!! Hallelujah! How we praise the LORD for this!

*Getting the news that the surgery was successful and how the LORD used the skilled hands of the doctor and his amazing mind to complete the surgery and get all the cancer was another big

miracle! Thank you Jesus!

* Waking up from the anaesthesia to see the faces of the whole family in the room next to my bed and to hear the good news that the surgery was successful was the best Christmas

gift ever.

*Having places to recover in Florida by Ronnie's stepmother and sister and their families was another huge blessing. Being with family was so comforting and enjoyable. Again, God went before us and took care of all the details.

Baby On Board!!

*But the cherry on the top of the cake was on December 3, (Meela's birthday), we got the news that Justin and Hayley are expecting their first child, our first grandchild, in June. This moment

was just beyond words to describe, as our eyes fell on the first picture of "baby Heerah" from the ultrasound. As a family, we are so excited for them, and we are super excited to become grandparents to our first grandson! (Yes, it's a boy!)

Back In Trinidad

Thanks for your prayers for our travels to Trinidad on January 11. We received a warm and special welcome

from some of our church leaders and families. We're now back safely in our home and trying to adjust to being empty nesters. Even though it's different, it's good to be home. Now the road to healing and recovery is ahead. We continue to trust God for a full recovery for Ronnie as we get ready to begin a new chapter. We are confident that He is faithful to continue to lead us and to complete the good work He started in us.

Please pray for the following:

- * Complete healing and recovery for Ronnie
- * God's protection on our family in the US
- * God's provision for Joseph and Charissa
- * A car for Joseph and Charissa to move around in Wyoming.
- * Justin and Hayley and the pregnancy
- * God's provision for our needs in Trinidad
- * The ministry here at Hope Community Church to continue to grow and to reach many with the gospel.

We are deeply grateful for all of you, and we pray that the Lord continues to bless you abundantly for every good work.

We are excited to see how the Lord will continue to lead us.

Romans 1: 17 *For in it (the Gospel) the righteousness of God is revealed from faith to faith; as it is written, "The just shall live by faith."*

The Mission continues...

Ronnie, Meela and Family
