

The Fowlers on the Field

Catching Up

Hello again! What a change these past few months have been for us! We had our sweet girl, Maria Azucena, on July 17th, and things haven't slowed down since. It has been such a blessing to have her with us and God has taught me so much through her already. Just a few weeks after having Maria, we moved out of our apartment, lived with some wonderful family friends for a few weeks, and then moved up to Colorado with my parents to start our deputation! We are so grateful for the generosity and hospitality that we have received from so many and for God's goodness and protection every day.

Please be Praying

- for us as we navigate being new parents, that we would be Godly examples to Maria, and that we would be faithfully sharing the gospel with her
- for us to trust God while we are raising support-prayer and also financial support
- for our travels as we visit different churches in different states
- that we would be sensitive to God's leading and stay consistent and diligent in our individual spiritual lives
- scan to visit our TBM profile and/or support us!

What's Next

Our plan is to move to Peru before spring of 2026! As of now, we are trying to visit and share with as many churches as we can before we head off. In this coming month of September we have two local churches scheduled that we are looking forward to seeing. We are also continuing to reach out and contact other churches we know as well!

Thank you again, so much for your prayers and support! We greatly appreciate each and every one of you. If you are interested in hearing more please feel free to reach out! We'd love to hear from you guys as well! If you would like to give financially you can go to...
