

# MATHIAS FAMILY UPDATE

at the Creation Museum

Serving with Tentmakers Bible Mission

September 2025

## Prayer Requests

Please pray...

- for Chuck's and my classes to bless students
- for us to make the most of discipling opportunities - Connie with some one-on-one with students and through choir/drama ministry, and Chuck with his interns and student prayer group
- for Anjali - for adjusting to life in Idaho, her studies, and ministering on campus
- for Asha, Elijah, and Diya - for spiritual growth and ability to be a good testimony to friends and classmates
- for Chuck's upcoming Peru trip - for funds, safety, and a profitable time for all who attend.
- Exciting upcoming ministry opportunities

## Serving the Lord is Never Boring!

Summer Travel and Fall Ministry

Dear Ones,

We are thankful for your prayers over the busy summer season. We had the blessing of taking a family trip to Pennsylvania to visit some of Chuck's family and a TBM missionary family. We stopped at the Ark and Creation Museum on the way, which was a neat experience and one I didn't think we would ever be able to have with the whole family, so that was really special for all of us! We even got to take the kids to tour the Appalachian Bible College campus (where Chuck attended back in '97-'99).

With Dr. and Mrs. Alban, Chuck's former missions professor at Appalachian Bible College

## Our Family and Ministry

The twins spent a chunk of their summer doing CEF youth missionary training and helping with 5-day clubs in Cheyenne. This was a large time (and driving) commitment, but was a good experience for both of them! They were so excited to see several kids put their faith in Christ!

Anjali is off to attend Idaho State University, and continues to work toward a future of overseas ministry.

### Ministry at Frontier School of the Bible

We started with classes at Frontier School of the Bible a few weeks ago, with a student body of over 200! Chuck teaches Intro to Missions, and I teach Christian Women's Practices. I also have a new Frontier Chorale and Drama Team to direct!

### Ministry at Tentmakers Bible Mission

At Tentmakers, we recently hosted a dinner for all the international students and students who are missionary kids, a really fun outreach for all of us at the TBM home office! In other TBM news, we will have a South American field conference in Peru near the end of October. Chuck

Our annual International Student and MK dinner at our home office for Frontier students

do abundantly above all that we ask or think according to His power at work within us!

Love and prayers ~ Connie (for all the Mathias fam)

Our family with our close friends and missionaries with TBM

will fly to Lima for the conference and will also visit some of our missionaries in Ariquepa, Peru! I will visit Peru another time as this year I've got a busy semester with our youngest three at home - one HS senior and two freshmen, with all of the school, choir concerts, and sports that come with the territory.

### Thank You!

Thanks for your prayers that sustain us! God is so good, and serving Him never gets old or boring! And when we are weary, He is able to
