AS OF RECENT

Hi there! I hope this letter finds you well!

I have so much to share! And not enough time or space to share it all(or so it seems). This past month I had finished Genesis and jumped back so I've been reading 1 Kings! The Old Testament is so exciting! I used to think it was boring or hard to read through but over the last few months I have learned so much and have been so challenged by it! You can see God speaking directly to his people and providing for them each step of the way. You see his character in how he judges different nations and his grace and mercy towards those whom he loves. God is AMAZING!

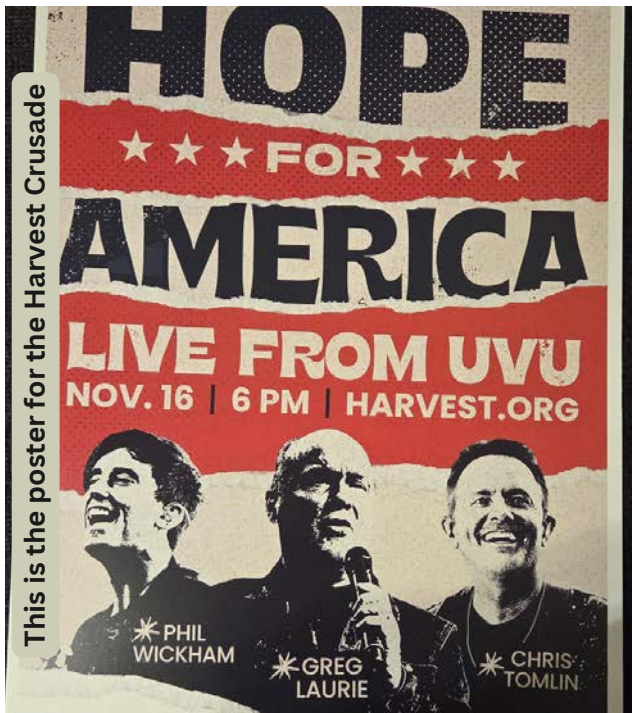

In First Kings chapter 3:5 God is pleased by Solomon's faith and diligence in keeping God's statutes and asks Solomon "What shall I give you?". I've heard this story before but this time it felt extra personal like if God asked me what I wanted... What would my answer be? What would your answer be? I thought of a few things like maybe a husband, a new car...then I thought of a building for our church, wisdom and the gospel to go out. There are things that I desire for myself and things I desire for God, but Solomon's answer is selfless right away: "Give me understanding to govern your people". Granted he was a king trying to govern God's chosen people, a whole nation. I'm just a girl living in Utah trying to meet people and share the gospel. I pray that God would be pleased with my faith and that my desires would be wholly glorifying to God.

This past month the Lord gave me the opportunity to share the gospel with 2 of my co-workers and invite another one to church! It has been so cool to see God work in all kinds of situations! It has also been really cool to see different friendships develop with people out here! Please keep praying for them that God would soften and change their hearts and for me that I will continue to be a light to them.

On the 10th of October we officially started Oasis (youth group) and I got to help plan games, music, and snacks! It was a lot of fun and I'm so excited to get to know the youth better and be able to aid in their walk with Christ. Pray that our youth would be transformed by God's word and that our group would continue to grow and glorify God! On the 14th our Ladies Bible study started for the season. It was a really sweet time getting to know the ladies, praying, and studying God's word and what it has to say about our speech.

Something that is hard for us still is having enough space. Oasis and bible study was pretty packed in the Hardings living room and if it continues to grow won't fit here at Kim's house. So please keep praying that God would provide a more permanent building for our church and the funds to acquire it. If it's the Lord's will we hope to be in a building by next year!

Another thing to keep in prayer would be the "Harvest Crusade" On November 16th, It is being held at UVU where Charlie Kirk was murdered. They are hoping to bring hope to Utah in the midst of all the corruption. We are praying that the Gospel would be clearly shared at this event and that it would be distinct and clear. So pray for a real change in hearts, maybe even revival if we can be so bold.

TO PRAY IS TO BE INVOLVED

So there are lots of things to keep praying for!

I really appreciate your support and prayers more than I can express. I am so encouraged with how God has already been using your prayers in my everyday life and I'm excited to keep seeing God work here in Spanish Fork!

The Lord is gracious to me more than I deserve.

With work and your support I am doing well financially and trying to save up for a car! I ask for your prayers one last time this month just for finances that God would continue to provide and that I would have wisdom to use anything God gives me for his glory.

Until next time :)

We had a dress like a manager day at work. It was definitely a highlight!
