

MATHIAS FAMILY UPDATE

Advance Utah Vision Trip

Serving with Tentmakers Bible Mission

November 2025

Prayer Requests

Please pray for...

- TBM board meetings this weekend (Nov. 14-15)
- my (Chuck) Israel Study trip in December with Shepherds Seminary – pray for God's provision for expenses as well as to make the most of this opportunity
- Anjali, Asha, Elijah, and Diya that they would continue to grow in their faith and walk closely with the Lord

Praises

Praise God for...

- a powerful Mission Conference at Frontier School of the Bible
- a successful South American Conference in Peru
- an impactful trip to Utah with Frontier students for the Advance Utah Vision Trip

Travel: Here, There and Everywhere!

South America, Utah...and Israel

What a busy season of ministry it has been! We rejoice in how God is working in our ministry to support our TBM missionaries and encourage students toward the mission field. In October, our Missions Conference at Frontier was the beginning of a series of busy (and exciting) weeks.

South American Conference in Lima, Peru

Right after the Missions Conference, I (Chuck) left for Peru. We held our very first South American Conference. Our missionaries from various fields gathered in Lima for a time of connecting and encouragement. After the conference, I was able to travel to Arequipa, a city in southern Peru where our missionaries, Jeff and Angela Anderson serve. It was a blessing to see their ministry firsthand and how the Lord is using them on that mission field.

Advance Utah Vision Trip in Utah

A few days after getting back from South America, Connie and I packed up, loaded two vans with FSB students (and Elijah) and made our way to Utah for the Advance Utah Vision trip; an event sponsored by our friends with Biblical Ministries Worldwide. We had fifteen students come with us this year, along with our good friends, Bruce and Jeranna Hale. In five busy days we were able to

paint a picture of the needs in Utah, what ministry is really like and connect them with amazing TBM and BMW missionaries. After the conference ended on Saturday we were able to visit TBM missionaries in Tremonton, Logan and Garden City before making our way back to LaGrange on Sunday.

Israel Study Trip in December

In other exciting news...I (Chuck) have the opportunity to travel to Israel next month (December 9-19). It is a study trip with students from the West Institute (an extension of Shepherds Seminary). Two of my nephews are studying there and they made the way for me to be invited to go (at a reduced rate) as a ministry partner. Not only do I get to travel to Israel, I get to travel with my nephews! I am also excited to build connections with the West and Shepherds Seminary.

**THE
WEST**
INSTITUTE

I never thought I would have an opportunity like this. Please pray that I find time to complete all the pre-trip course work. Pray also that God would provide for the funds necessary to cover these extra expenses.

Thank You!

Your prayers sustain us! God is so good! In all of the busyness we rest in His strength. We are excited to see what He is doing!

Serving Together,
Chuck
