## WHAT GOD IS TEACHING ME

I recently read through the book of Esther and I am now in Job. In the first chapter of Job so much happens. Verse one says: *"There was a man in the land of Uz whose name was Job, and that man was blameless and upright, one who feared God and turned away from evil."* This verse alone convicts me more and more every time I read it. Does God see me like this? Is this my character? My reputation? In the land of Spanish Fork, Utah there is a woman named Jordan.... AHHH that feels so weird but you get my point. Are we living in such a way that we are known for our faith, our commitment to turn away from evil and fear God?

Verses 6-19 Satan has been given permission to test Job's faith, Job loses his children, his possessions, his livestock, and his servants... gone just like that. Job's character has not wavered. Verse 20-21 says *"Then Job arose and tore his robe and shaved his head and fell on the ground and worshiped. And he said, 'Naked I came from my mother's womb, and naked shall I return. The Lord gave, and the Lord has taken away; blessed be the name of the Lord.'"* I pray that my life would be characterized by worshiping God in the highs and the lows.

## CHURCH HAPPENINGS

From December until now I will just share a brief overview of what we've been doing. In December we had multiple Christmas events including dinners, parties, and a youth group gift exchange which I think all went really well. We had lots of people from Aspen Grove involved in each of them which was encouraging to see!

They had a really lovely Christmas Eve service that I heard was also a very sweet time. We have started our adult Grove Groups(bible studies) and Oasis(youth group) back up after Christmas break. We are now doing them on alternating Sunday evenings so that we can make use of the building that we rent on Sundays for more than just the morning. We are still praying about the House across the road from us. It's the one I previously mentioned that went under contract. It is not sold and no longer up for sale which is exciting to see that there's still a possibility of that! So keep praying for God's will in that situation. As we start 2026 our emphasis is prayer here at Aspen Grove, and I'm really excited to see how God will use it in big ways here in our little community!

## TRAVEL

I got to go on a few adventures! I was home in Michigan for two weeks over Christmas and New Years, and after being back in Utah for a week I made a quick trip to Frontier School of the Bible to see some friends before we all went back to the work of ministry for a while. Both trips were very encouraging and fun for me, I'm so thankful for all the time I got to spend with family and friends! I met lots of new people as well. And I got to meet my new niece Hazel who is soooo sweet!

## SPRING PLANS

I have been praying a lot about this opportunity to go to Israel with Frontier and I decided that I am going to go! I'd appreciate your prayers in this for traveling and safety as we go. But also that I'd be a sponge, that I'd learn so much and that it would make me more effective in my ministry to others. I'm certain that it will be amazing to go and see places where Jesus has walked and places where things in the Old Testament happen but I want it to be a tool for ministry and not just a cool trip.

## THANKS

I also want to be sure to thank you all for your generosity and kindness towards me thus far and for all the prayers! I'm always encouraged to know that so many people are praying for our church plant out here in Utah! May 2026 be a year that God uses us in his ministry for his glory! Also I'd love to be intentional in praying for you as well! Please don't hesitate to reach out to me at any point!
