

Hello everyone! I hope that Spring is starting off very well for all of you! Here, we're in the rainy season, so it's not quite as hot as it was. Phew!

The last three months have gone by really fast, and Rhoda is a little over three months old now. Post-partum was easier this time around, thank the Lord! Rhoda has begun to smile and it really brightens our days. Abigail is more agile and cuter than ever (according to her mother 😊). I have decided to start covering their faces because this will be linked to Facebook.

On March 8th, we had the Gran Cena, an evangelistic supper banquet held by our church. Lenin was in charge of direction, and by the power of the Holy Spirit, there were many in attendance. We pray that there were souls saved, and others encouraged. Our church, the Comunidad Biblica de Tarapoto, is working on discipling those who showed an interest in having follow-up Bible studies/discussions.

Lenin has been working on more ways to encourage the Youth to share their faith. Yesterday night, we had training with them on evangelism along with some games. Our plan is to take the youth, in a couple of weeks, to go evangelizing in the city's plaza.

We are continuing to personally disciple some of the youth. Lenin has a couple of guys that he is currently discipling, and a potential third one. I am working where I can with the young women (currently, I have a young woman who I meet with on Monday nights). We are praying for their spiritual growth in spiritual maturity and faith.

FUTURE PLANS:

APRIL:

On Resurrection Sunday, April 5th, the church will have a breakfast, along with a service celebrating the Resurrection of our Savior and Lord.

On April 19th, we plan to take the Youth to evangelize in the Plaza of Tarapoto.

On April 26th, the church is planning on an evangelistic event in Alto Shamboyacu. There will likely be games for children and door-to-door witnessing. Pray for the people of Alto Shamboyacu to be able to receive the message of salvation in the best way possible.

MAY:

In May, we would like to be able to go to the USA Embassy in Lima to get Rhoda's citizen documents, her Certificate of Resident Born Abroad (CRBA) and her US passport. Pray that everything would go smoothly, we're hoping to be able to use the dates May 11th through to May 15th. The Embassy is very frustrating and inefficient. Please pray for the Lord to make our way as easy as possible.

Thank you so much for your continued prayers and support. So many of you have shown so much generosity in these last few months, and Lenin and I are praying that the Lord would provide for all of

your needs according to His riches in glory, in Christ Jesus. We have had great needs met that were so powerfully, Lenin and I are so encouraged in the Lord! We want you to know that God is going to bless you for your gracious generosity and loving-kindness towards our family. Thank you all so much, and God bless you! May His face shine upon you, and may He be gracious unto you and give you His peace! Be bold! Jesus Christ is arisen, and we have a great message of a Great Savior to share with the world! Share the message with your unbelieving family members and neighbors this Resurrection Season.

With much love,

Lenin, Amber, Abigail, and Rhoda Rivadeneyra
