

# UPDATE: Report from the Thompson's

March 13, 2026

Dear Co-laborers in prayer,

This brief Update is to enlist your vital prayers in a couple of areas. First, you will note the prayer list included below. We have 80 students (out of 200 in the student body) that are serving on Spring Break missions trips. They are serving in 7 or 8 fields of service, and they will be traveling back to campus beginning today! Please pray for safety and alertness as they travel. Some trips are 1800 miles each way! Other are flying home after serving in Alaska. It is wonderful to see the heart of our students for missionary service, with 40% of our student body involved in projects! It is one of the reasons that Wanda and I returned to Frontier, to help train the next generations of missionary servants.

## CHURCH PLANTING AND REVITALIZATION CONFERENCE

A second prayer request is for the upcoming Church Planting and Revitalization Conference to be hosted here at Frontier, beginning on March 22. There will be 7 Organizations involved, impacting over 20 states and literally hundreds of needy rural communities, not to mention towns where no Bible believing churches exist. Pray for God's blessing on the students as they learn in classroom sessions and daily Chapel services.

## UPCOMING SURGERY

I would appreciate prayer as I undergo surgery on Monday, March 16, for a gall bladder removal. It has taken 5 weeks (and 24 pounds lost!) to finally get this taken care of.

Thanks so much for your faithful prayer, encouragement, and financial support of our ministry!
