## July 2026 Update

PO Box 160,  
LaGrange, WY 8222

We celebrated our 38<sup>th</sup> wedding anniversary in Tobago on May 21 and are so grateful for our many years together.

Our time in Trinidad so far

has been spent strengthening the believers at HCC. Ronnie has been teaching through 1 Thessalonians on Sundays and working towards the installation of one new elder and two new deacons and two deacon interns.

Dear Prayer & Ministry Partners,  
Here's an update from the Heerahs' household. As we write this newsletter, half of 2026 has already gone by and there is so much to be thankful for.

We finished up the Spring semester serving at Frontier School of the Bible on May 8<sup>th</sup> and saw our second son Joseph graduate on May 9<sup>th</sup> from FSB. We then flew overnight to Pennsylvania for Justin's graduation May 9<sup>th</sup> from LBC.

We got there "Just-in" time ☺. We spent a couple days in Lancaster PA visiting with Meela's sister, her family and our good friends Dale & Sharon Mort.

What a fun trip that was! On May 14 we headed back to Trinidad.

Meela has been working with the Women's Bible Study ministry and wrapped up their Women of Hope meetings with a close off fellowship. She has enjoyed the

fellowship of these women and is encouraged to see the desire and growth of some of the younger women in the Lord.

We will be heading back to the US on July 24 for a family reunion with Meela's relatives and will return on July 28 to La Grange Wyoming to start the Fall semester. Ronnie will be teaching 3 classes this next fall at FSB – Personal Evangelism, Minor Prophets and co teaching Practical Relations in Missions.

We are excited to have Justin, Hayley and Noah here in Trinidad in July for a couple weeks.

Joseph is presently in Brazil for two weeks (July 1-15) with Ethnos 360. Please keep him and the team of 30 young people from the US and Trinidad in your prayers.

Charissa is presently serving on a camping team from Frontier School of the Bible for the summer. Pray for strength and wisdom for her and her 4 teammates.

### Praises:

- The Lord's provision financially for Joseph's Brazil mission trip.
- The Lord's guidance and protection for Charissa and her team as they serve the various camps in WY, NE, MT and UT.

The Lord's provision of a good working vehicle for us just before we left LaGrange Wyoming, by some dear friends.

- The church in Trinidad - as the believers continue to grow in their faith and love for each other.
- The Lord's continual healing and good health for Ronnie and Meela.

### PLEASE PRAY FOR:

- The church in Trinidad and the leaders to be unified and to develop spiritually and carry on the mission of making disciples.
- New leaders for the church in Trinidad - one new elder and two new deacons.
- God's provision for us as we continue in this new role as Campus Representatives with Tentmakers Bible Mission. We are deeply grateful to all of you who have supported us over the last 30 years in Trinidad.
- For the faculty and staff at FSB as they equip this next generation of missionaries, church planters, youth pastors and pastors.
- For the Lord's provision and preservation of FSB, its leadership and the administration as

they faithfully teach, train and proclaim the clear and simple Gospel of Jesus Christ.

- For the new and returning students at Frontier School of the Bible, that their hearts would be soft and humble before the Lord and that they would be eager to learn God's Word and follow His plan for their lives in ministry.
- For a new ministry opportunity for Justin and Hayley as they seek the Lord for what's next and where the Lord wants them to go.
- For the Lord's guidance and provision for Joseph as he pursues tribal missionary church planting training at Ethnos Training Center in Missouri, starting in August.
- For Charissa as she begins her third year at FSB this fall and seeks God's direction for her life.
