If you or someone you know feel lead to give towards our building fund here's a link to a way to give to our building fund: <https://www.biblicalministries.org/project/aspengrove-building-fund>

LEARNING

I have been reading a book with Christina lately that is by Ruth Chou Simons. "When Striving Cease" the gist is that Grace is what we need. We need God's grace when he saves us from the pit of hell but we also need his grace to get us through each day of our lives. We tend to be performance driven people thinking that we must be spiritual, strong, and must be perfect for a blessing to be deserved. This creates an endless striving within your own expectations and can become an idol real quick. It's been really impacting to read this book. I grew up trying to please my parents, my friends, my church family trying to be the very best possible version I could try to be without God's strength. It doesn't work. While these aren't all inherently bad desires, pleasing God by relying on His grace and being who he created you to be is where we must begin. And only through his grace are we able to live a life pleasing to Him.

THE FIRST FULL YEAR

The 22nd of July marked my first full year of living in Utah! WHOA! Kinda crazy how fast time flies. God is continually teaching me just how amazing it is to be a part of his ministry, being a part of the body of Christ, and being uniquely created to serve Him. So many times he has been faithful and I know he will remain faithful for all my life.

God was faithful in providing through the first full year, faithful in providing a vehicle not only to get here but another one to continue to be here. God has provided many opportunities to share in joys and hardships all to which he gets the glory for. He's provided me with so much grace, to serve him with my creativity. I am beyond blessed to be here and beyond excited to see what else God has in store for this season of my life!

RECENTLY

I've had the opportunity to start becoming closer friends with one of the ladies who had earlier this year started coming to our church and has recently professed Christ as her Lord and Savior!!! I pray that I will be an encouragement to her and hopefully start doing a bible study with her. We celebrated the 4th Of July!!! Me and Kim went to see the Hot air balloons! We had our Fiesta days outreach on July 18th where we got to be a part of a community event, minister to some kiddos, and hand out flyers to families for our VBS and Family Fun Night Carnival activity which happened this week! I got to help run facepainting with Josie! I also had the chance to host another young adults group this month where we hung out and watched 'How to Train Your Dragon.' It was a great time! And I'm more and more excited about how God will cultivate this group as we continue to get together.

PRAYERS AND THANKS

Please continue to pray for opportunities to share the gospel with my Co-Worker and with others I will encounter. Pray for that God will provide Aspen Grove with a building! Also please keep praying for me that God will give endurance, and wisdom in upcoming travel as we go into late summer/fall and start planning bible studies and youth group. Pray for August 14th for our youth event I'm helping plan and for the 26th for when I take my RBT exam.

As always thank you so much for your prayers and support! I appreciate how so many of you are involved and praying for our ministry here! If you'd like to get involved in the ministry here please reach out to me anytime, or visit my TBM profile. I will be possibly trying to raise more support when I am home in September, so if you'd like to get together please let me know in advance!

A servant of Christ,
Jordan Huep :)
